5 litre pack Item code: 02-100E
3 x 5 litres per carton
48 x 3 x 5 litres per pallet (720 litres)

Perform A-JAS is a thixotropic and highly concentrated and environmentally friendly deep penetrating general purpose cleaner. It cleans and degreases and can be used for cleaning all materials that can withstand water. Perform A-JAS has a wide range of problem solving in floor cleaning. By utilization of micro emulsion technology Perform A-JAS has maximum cleaning and nullification capability. Through the versatile cleaning ability Perform A-JAS replaces several products, which simplifies and facilitates the user. Perform A-JAS solves the principle of "equal resolve equal." Removes and effectively dissolves water-soluble dirt and stains of mineral and synthetic oil, soot, grease, tar, asphalt, road salt and old solid dirt. Does not discolour, does not etch glass or aluminium, does not react with the concrete or linoleum carpet, PVC, rubber, wood or natural stone. Perform A-JAS is a member of the Perform Floor-Recond System.

Note: For heavy asphalt spray and road salt, use Perform A-JAS in concentrate. Leave for 5 minutes and then scrub again. Rinse off with fresh water

MSDS is available for professional users on our website: www.ajourtrading.com or scan QR-code.
pH approx. 10,0 in concentrate. Store this product frost-free.
This product is manufactured in Sweden according to ISO 9001 and ISO 14001.
