5 litre pack Item code: 02-810E
3 x 5 litres per carton
48 x 3 x 5 litres per pallet (720 litres)

Perform Vertical Stone Cleaner is a deep cleaner designed for cleaning vertical surfaces such as facades, walls, shower enclosures, pedestals, risers on stairs and skirtings. Perform Vertical Stone Cleaner is used for both interior and exterior natural stone, concrete, terrazzo and slate as well as joints.

Perform Vertical Stone Cleaner is formulated to stay on the vertical surface and effectively remove light construction debris, dirt and to clean the joints. Perform Vertical Stone Cleaner is recommended for marble, granite, travertine, terrazzo, limestone, slate and ceramic tile where it cleans clogged pores and has a dirt-absorbing effect. It is ideal for bathrooms. Perform Vertical Stone Cleaner contains no solvent and no acid. The product is ready for immediate use. Always do a test area to verify the effectiveness and results. Perform Vertical Stone Cleaner is a member of Perform Floor-Recond System.

Instructions: Spray it directly onto the vertical surface and let it work for about 5 min. Scrub the surface with a brush, scouring pad or similar. Rinse well with clean water. If the surface is very absorbent the surface can be watered prior to treatment. Treat the surface with Perform Vertical Stone Cleaner as above. It is recommended to use low-pressure spraying device for larger surfaces.

pH approx. 11,4
Wear appropriate protective safety equipment.
